Superintendent's Highlights

The District goal was to have 100% of our certified teachers pass the Technology Competency Test by June 1, 2001. Ninety-six certified teachers met this goal by May, 2001.

The District completed a two year project to revise our District Emergency Plan. Staff training will be provided in the fall of 2001. District administration conducted a substitute teacher workshop in October. The training has been beneficial for those who participated especially as they enter the classroom to teach.
